Actions before submitting

- Review all prefilled values and unanswered insurance-history questions.

- Complete the claimant declaration, signature, place and date yourself.

- Ask the hospital/doctor to complete and stamp their sections or medical certificate.

- Keep the original bills, receipts and records for the insurer.

- Inspect the outgoing PDF copies for legibility and page completeness. Copies use a conservative 5 MB limit; confirm the current insurer portal rules. Untouched originals are included separately.

Official submission instructions

Use the customer portal/app or a branch/advisor. The claims page also instructs sending original reimbursement documents by post or courier. Confirm the destination before sending originals.

Emergency intimation: Claims page asks for notification within 24 hours of hospitalization.

Reimbursement submission: conflicting sources: Claims page says 15 days after discharge; its linked reimbursement form says 30 days. Contact Star Health promptly to confirm the deadline for your policy. ClaimWeave cannot determine a single deadline from these sources.
